MODEL-ADAPTED LIGHTING SOLUTION

Strands Lighting Division proudly presents a revolutionary range of model-adapted lighting solutions for light commercial vehicles, available for over 70 vehicle models. These solutions include integrated roof racks, roof bars, and grille-mounted LED systems. Designed for professional use, they combine high-performance lighting with OEM-grade fit and easy installation. Whether you're an LCV dealer, upfitter, or installer, our plug-and-play concepts help you save time, reduce installation errors, and deliver premium solutions to your customers. These solutions are crash-tested, ECE-approved, corrosion-resistant, and include a unique 3-year functional warranty.

Check out our model-adapted

FUNCTION WARRANTY THREE TO SIX YEARS

More than design, quality, and performance, we offer peace of mind. All products in the Strands Lighting Division range are covered by a unique function warranty, valid for 3 to 6 years. The warranty is unique on the market and covers faults related to manufacturing, materials, and assembly. Our goal is to improve service, increase customer satisfaction, and emphasize our brand's quality.

Part No. ST-809137

Voltage	9-36V DC
Consumption	80W, 40W
Theoretical lumen	9200 lm
Actual lumen	8200 lm / 4100 lm
1 lux @	79 m / 111 m
Color temperature	IP68/IP69K
Beam pattern	5000K
IP-class	Wide beam
Connection	Cable
Cable length	2500 mm

Material housing	Aluminium
Material lens	Polycarbonate
Length	514 mm
Depth	28,2 mm
Height	30 mm
Height including bracket	39,5 mm
Operating temperature	-40°C - +60°C
E-approved	No
EMC-certificate	ECE R10

DARK KNIGHT STROBE LIGHT DUO

Use the QR code to check out the products.

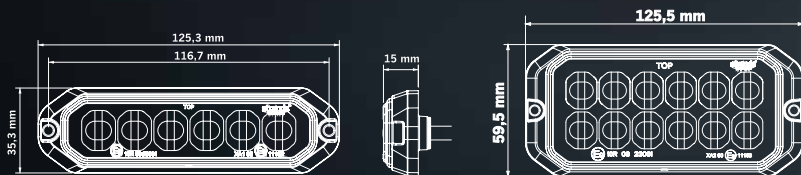

✓ THREE E-APPROVED OPTIONS

Choose between a single (6 LEDs), double (12 LEDs), or a triple row (18 LEDs) light. The optics are designed to emit the most powerful and efficient light output, giving you an intense and precise beam.

✓ DUO COLOR AND SUPER-DARK LENS

The Dark Knight strobe light has two flashlight options: amber and white. While the flashes are incredibly strong, the super-dark lens gives it a smooth and stylish look when not in use.
